Crossing Republic,  
Chaziabad - 201016

### ABOUT ME

"As a final-year BCA student with a strong foundation in computer science, programming, and web development, I aim to leverage my skills in HTML, CSS, JavaScript, Bootstrap, PHP, MySQL, MySQL Queries and web technologies to build dynamic, user-friendly websites. Eager to contribute to innovative projects, collaborate with teams, and enhance my technical expertise in front-end and backend development. Seeking an opportunity in a challenging and growth-oriented environment where I can apply my knowledge and passion for web development while continuing to learn and grow in the field".
